

**Abstracted Primary Childhood Cancer Diagnoses within Abstracted Diagnosis Groups**  
**Data Freeze: April 30, 2020**

<b>Broad Diagnosis Group (diaggrp)</b>	<b>Diagnosis (diag)</b>
Acute lymphoblastic leukemia	Acute Lymphoblastic Leukemia, B Lineage, Bone Marrow
	Acute Lymphoblastic Leukemia, B-Cell, Bone Marrow
	Acute Lymphoblastic Leukemia, B-Cell, Mature, Bone Marrow
	Acute Lymphoblastic Leukemia, B-Lineage, Transitional, Bone Marrow
	Acute Lymphoblastic Leukemia, Bone Marrow
	Acute Lymphoblastic Leukemia, Common , Bone Marrow
	Acute Lymphoblastic Leukemia, Common Pre B, Bone Marrow
	Acute Lymphoblastic Leukemia, Common, Early Pre B, Bone Marrow
	Acute Lymphoblastic Leukemia, Early B, Bone Marrow
	Acute Lymphoblastic Leukemia, Early Pre B, Bone Marrow
	Acute Lymphoblastic Leukemia, Early Pre B, Hematological
	Acute Lymphoblastic Leukemia, Early Pre-B, Atypical, Bone Marrow
	Acute Lymphoblastic Leukemia, Early T Cell Precursor, Bone Marrow
	Acute Lymphoblastic Leukemia, Mixed Early Pre B And Pre B, Bone Marrow
	Acute Lymphoblastic Leukemia, Mixed Pre B And Mature B, Bone Marrow
	Acute Lymphoblastic Leukemia, Non B, Non Pre B, Bone Marrow
	Acute Lymphoblastic Leukemia, Pre B And Pre B Transitional, Bone Marrow
	Acute Lymphoblastic Leukemia, Pre-B, Bone Marrow
	Acute Lymphoblastic Leukemia, Pre-T Cell, Bone Marrow
	Acute Lymphoblastic Leukemia, Progenitor B Cell, Bone Marrow
	Acute Lymphoblastic Leukemia, T-Cell, Bone Marrow
	Acute Lymphoblastic Leukemia, Transitional Pre B, Bone Marrow
	Acute Lymphoblastic Leukemia, Undifferentiated, Bone Marrow
	T Cell Large Granular Lymphocytic Leukemia, Bone Marrow
Acute myeloid leukemia	Acute Erythroleukemia, Fab M6, Bone Marrow
	Acute Histiocytic Leukemia
	Acute Megakaryoblastic Leukemia, Bone Marrow
	Acute Megakaryoblastic Leukemia, Fab M7, Bone Marrow
	Acute Monocytic Leukemia, Bone Marrow
	Acute Monocytic Leukemia, Fab M5, Bone Marrow
	Acute Myelocytic Leukemia, Bone Marrow
	Acute Myelocytic Leukemia, Differentiated, Bone Marrow
	Acute Myelocytic Leukemia, Undifferentiated, Bone Marrow
	Acute Myeloid Leukemia With 11q23/Mll Abnormalities, Bone Marrow
	Acute Myeloid Leukemia With Inv(16) Or T(16;16) [cbfbeta/Myh11], Bone Marrow

**Abstracted Primary Childhood Cancer Diagnoses within Abstracted Diagnosis Groups**  
**Data Freeze: April 30, 2020**

<b>Broad Diagnosis Group (diaggrp)</b>	<b>Diagnosis (diag)</b>
	Acute Myeloid Leukemia With Multilineage Dysplasia, With Prior Myelodysplastic Syndrome, Bone Marrow
	Acute Myeloid Leukemia With T(6;9)(P23;q34) Dek-Nup214, Bone Marrow
	Acute Myeloid Leukemia With T(8;21) (Q22;q22) [aml1/Eto], Bone Marrow
	Acute Myeloid Leukemia, Minimal Differentiation, Fab M0, Bone Marrow
	Acute Myeloid Leukemia, Nos, Bone Marrow
	Acute Myeloid Leukemia, With Maturation, Fab M2, Bone Marrow
	Acute Myeloid Leukemia, Without Maturation, Fab M1, Bone Marrow
	Acute Myelomonocytic Leukemia, Bone Marrow
	Acute Myelomonocytic Leukemia, Fab M4, Bone Marrow
	Acute Myelomonocytic Leukemia, Fab M4eo(With Abnormal Eosinophils), Bone Marrow
	Acute Myelomonocytic Leukemia, Fab M4eo, Bone Marrow
	Acute Promyelocytic Leukemia With T(15;17) [pml-Rara], Bone Marrow
	Acute Promyelocytic Leukemia, Bone Marrow
	Acute Promyelocytic Leukemia, Fab M3, Bone Marrow
Blood disorder	Familial Hemophagocytic Lymphohistiocytosis
	Hemophagocytic Lymphohistiocytosis, Bone Marrow
Central nervous system (CNS)	Astrocytoma, Anaplastic (Low Grade-Moderate), Tectum
	Astrocytoma, Anaplastic, Cerebrum
	Astrocytoma, Anaplastic, Frontal Lobe
	Astrocytoma, Anaplastic, Frontal Lobe, Left

Data Freeze: April 30, 2020**

ICD-9-CM Procedure Description (hcup)	ICD9_1	ICD9_2	ICD9_3	ICD9_4	Abstracted Procedure
Abdominal Wall Incision	54.0				Removal, Foreign Body (Sutures), Abdominal Incision Site, Left
					Removal, Foreign Object, Abdomen
					Removal, Prosthetic Material, Wound, Abdomen
Abdominal Wall Incision; Nonexcis Debridement Wnd(Begin 1988)	54.0	86.28			Exploration and Debridement, Abscess, Inguinal, Right
Abdominal Wall Incision; Radioactive Elem Implant	54.0	92.27			Insertion, Afterloading Catheters, Abdominal Wall
Abdperineal Rect Resect (End 2008)	48.5				Abdominoperineal Pull Through Procedure
Abltn Liver Les/Tiss Nec (Begin 2006)	50.26				Cryoablation, Hepatocellular Carcinoma, Liver
Abltn Liver Les/Tiss Nec (Begin 2006); C.A.T. Scan Of Abdomen	50.26	88.01			Ablation, Microwave, Tumor, Liver by CT Guidance
Abltn Lung Tiss Nec/Nos (Begin 2006)	32.26				Cryoablation, Tumor, Pulmonary
					Radiofrequency Ablation, Pulmonary
Abltn Renal Les/Tiss Nec (Begin 2006)	55.35				Ablation, Laser, Mass, Kidney, Left
					Cryoablation, Tumor, Renal
Above Knee Amputation	84.17				Amputation, Above Knee, Left
					Amputation, Above Knee, Right
					Amputation, Subtrochanter, Leg, Left
Above Knee Amputation; Arthrot/Pros Removknee	84.17	80.06			Amputation, Above the Knee with Removal of Infected Prosthesis, Right
Accesshypogloss Anastom	04.73				Anastomosis, Cranial Nerve XII to Ansa Cervicalis, Left
Achillotenotomy	83.11				Release, Achilles Tendon, Left
					Release, Achilles Tendon, Right
					Release, Heel Cord, Right
					Release, Tendon, Ankle, Left
					Release, Tendon, Ankle, Right
Achillotenotomy; Achillotenotomy	83.11	83.11			Release, Achilles Tendons, Bilateral
					Release, Tendon, Ankles, Bilateral
Acoustic Neurotomy	04.01				Excision, Acoustic Neuroma, Left
					Excision, Acoustic Neuroma, Right
Adductor Tenotomy Of Hip	83.12				Tenotomy, Adductor, Hip, Bilateral
Adenoidectomy	28.6				Adenoidectomy
					Adenoidectomy, Bilateral
					Adenoidectomy, Partial
Adhesiolysis Mus/Ten/Fas	83.91				Tenolysis, Extensor Carpi Radialis Brevis
					Tenolysis, Extensor Carpi Radialis Longus

ICD-9-CM Procedure Description (hcup)	ICD9_1	ICD9_2	ICD9_3	ICD9_4	Abstracted Procedure
Egd With Closed Biopsy (Begin 1988)	45.16				Endoscopy, Upper Gastrointestinal with Biopsy, Gastric
					Endoscopy, Upper Gastrointestinal, with Biopsy, Esophagus
					Endoscopy, Upper with Biopsy of Duodenum and Stomach Antrum
					Esophagogastroduodenoscopy with Biopsies
					Esophagogastroduodenoscopy with Biopsies, Multiple
Egd With Closed Biopsy (Begin 1988); Clos Large Bowel Biopsy	45.16	45.25			Esophagogastroduodenoscopy and Colonoscopy with Biopsies
Egd With Closed Biopsy (Begin 1988); Esophageal Dilation	45.16	42.92			Esophagogastroduodenoscopy with Biopsy/Biopsies and Dilatation
Elbow Arthroplasty Nec	81.85				Fixation, Surgical, Elbow, Left
					Fixation, Surgical, Elbow, Right
					Fixation, Surgical, Olecranon, Left
					Repair, Ligament, Ulna, Left
Elbow Arthroscopy	80.22				Arthroscopy, Elbow, Right
Elbow Synovectomy	80.72				Synovectomy, Elbow
Elecrag Hear Dev Implant	20.95				Placement, Bone Anchored Hearing Aid
Elevate Skull Fx Fragmnt	02.02				Repair, Depressed Fracture, Skull
Embolectomy Leg Vessel	38.08				Mechanical Thrombectomy, Common Femoral Vein, Right
Enderectomy Of Aorta	38.14				Aortic Root Enlargement with Pericardial Patch
Enderectomy Of Aorta; Procedureone Vessel (Begin 2005)	38.14	00.40			Enderectomy, Aortic
Endo Polpectomy Lrge Int (Begin 1988)	45.42				Colonoscopy with Insertion, Endoloop, Polypectomy Stalk
					Colonoscopy with Resection of Polyp
Endo Polpectomy Lrge Int (Begin 1988); Clos Large Bowel Biopsy	45.42	45.25			Colonoscopy with Polypectomy and Biopsy
					Colonoscopy with Polypectomy and Biopsy, Multiple
Endocar Cushion Rep Nec	35.73				Repair, Atrioventricular Canal Defect
Endocervical Biopsy	67.11				Biopsy, Endocervical
Endomet Synechiae Divis	68.21				Lysis, Adhesions, Uterus by Hysteroscopy
Endometrial Ablation (Begin 1996)	68.23				Ablation, Endometrial
					Ablation, Laser, Endometriosis
Endosc Control Gast Hem (Begin 1989)	44.43				Argon Plasma Coagulation
Endosc Destru Lg Int Les (Begin 1989); Electrocoag Rect Les Nec	45.43	48.32			Cap-assisted Mucosectomy, Cecum, by Colonoscopy

Intranasal Antrotomy; Sinus Aspirat/Lavage Nos	22.2	22.00			Windows, Nasoantral, Bilateral, with Lavage
Intraop Gastric Manipul	44.92				Correction, Gastric Volvulus
Intraspinal Nerve Root Div	03.1				Resection, Gross Total, Tumor, Spinal Cord, L4 by Laminectomy, L3-L5
					Rhizotomy
					Rhizotomy, Dorsal, T11-T12
					Rhizotomy, T12
Intraspinal Nerve Root Div; Lumbosac Spine Xray Nec	03.1	87.24			Rhizotomy, Lumbosacral, by Fluoroscopic Guidance
Intraspinal Nerve Root Div; Lumbosac Spine Xray Nec; Skel Xray/pelvis/Hip Nec	03.1	87.24	88.26		Rhizotomy, Sacroiliac Joint, by Fluoroscopic Guidance
Intravenous Pyelogram	87.73				Nephrostogram
					Pyelogram, Antegrade Ureteral
Intracran Vent Shunt/Anas (Begin 2011)	02.22				Endoscopic Third Ventriculostomy
					Endoscopic, Third Ventriculostomy, by Craniotomy
					Implantation, Rickham Reservoir, Frontal, Left
					Insertion, Ommaya Reservoir, Cyst, Suprasellar Region, by Stereotactic Neuroendoscopic Approach
					Insertion, Ommaya Reservoir, by Frameless Stereotactic Guidance
					Insertion, Reservoir, Brain
					Intraventricular Septostomy
					Placement, Ventriculostomy, Left
					Placement, Ventriculostomy, Right
					Third Ventriculocisternostomy by Endoscopy
					Ventriculocisternostomy, Third Ventricle
					Ventriculostomy
					Ventriculostomy Placement, Occipital Horn, Right
					Ventriculostomy, Frontal, Right

Muscle Or Fascia Graft	83.82				Advancement Flap, Serratus Anterior Apical Muscle
					Advancement, Lateral Rectus Muscle, Right
					Advancement, Levator Muscle, Right
					Closure, Surgical Wound with Rectus Abdominis Microvascular Free Flap Graft, Knee, Right
					Closure, Surgical Wound, with Gastrocnemius Muscle Flap, Lower Extremity, Right
					Formation, Free Flap Graft, Muscle
					Graft, Muscle, Postauricular
					Placement of Free Vascularized Latissimus Dorsi Flap, Closure of Scalp Defect
					Placement, Graft, Fascia Lata, Right for Dural Coverage
					Reconstruction with Flap Graft, Vastus Lateralis Muscle
					Repair With Muscle Graft, Face, Right
					Repair with Muscle Graft, Face, Left
					Rotation Flap, Gastrocnemius Muscle, Left
					Rotation Flap, Gastrocnemius Muscle, Right
					Rotation Flap, Sternocleidomastoid Muscle
Muscle Reattachment	83.74				Reattachment, Contracted, Extraocular Muscles, Right
					Reattachment, Dehiscenced Superior Levator Palpebrae Muscle, Eye, Right
Muscle Trnsfr/Transplant	83.77				Recession, Flexor Hallucis Longus Muscle
					Recession, Posterior Tibial Flexor Digitorum Longus Muscle
					Reconstruction, with Vascularized Muscle Transfer
					Transfer, Muscle, Thigh to Cheekbone
Muscle Trnsfr/Transplant; Muscle Trnsfr/Transplant	83.77	83.77			Transfer, Rectus Femoris to Sartorius Muscle, Bilateral
Myelomeningocel Repair	03.52				Repair, Myelomeningocele
Myotomy	83.02				Exploration, Gluteal, Left
					Incision, Scar, Temporalis Muscle
					Myotomy(s), Multiple
					Removal, Foreign Body, Calf, Right

ICD-9-CM Procedure Description (hcup)	ICD9_1	ICD9_2	ICD9_3	ICD9_4	Abstracted Procedure
Radical Excis Skin Les	86.4				Excision, Wide, Skin Lesion, Chest, Left
					Excision, Wide, Skin Lesion, Forehead, Left
					Excision, Wide, Skin Lesion, Forehead, Right
					Excision, Wide, Skin Lesion, Neck, Left
					Excision, Wide, Skin Lesion, Neck, Right
					Excision, Wide, Skin of Knee, Right
					Excision, Wide, Skin of Shoulder, Posterior, Left
					Excision, Wide, Skin of Temple Region, Right
					Excision, Wide, Skin of Temple, Left
					Excision, Wide, Skin, Knee, Left
					Excision, Wide, Skin, Submammary Region, Right
					Excision, Wide, Soft Part, Popliteal Fossa
					Excision, Wide, Tumor, Buttock, Right
					Excision, Wide, Tumor, Scalp
					Excision, Wide, Tumor, Scalp, Right
					Radical Resection, Lesion, Skin of Mid Upper Back
					Re-excision, Wide, Tumor, Neck, Anterior
					Re-excision, Wide, Tumor, Neck, Posterior
					Reduction, Scalp
					Reexcision, Wide Local, Skin Lesion, Arm, Left
					Reexcision, Wide, Dysplastic Nevus, Back
					Reexcision, Wide, Dysplastic Nevus, Buttock, Right
					Reexcision, Wide, Nevus, Buttock, Right
					Resection, Mass, Forearm, Left
					Resection, Wide Local, Mass, Wrist, Left
					Resection, Wide, Lesion, Scalp, Left
					Resection, Wide, Mass, Axilla, Left
					Resection, Wide, Mass, Axilla, Right
Radical Excis Skin Les; Attach Pedicle Graft Nec	86.4	86.74			Excision, Scar, with Adjacent Tissue Rearrangement, Scalp
Radical Excis Skin Les; Destruct Mediastin Les	86.4	34.3			Excision, Mass, Neck and Mediastinum, Right

**Abstracted Surgical Procedures within Assigned ICD-9-CM Procedure Descriptions of Assigned ICD-9-CM

ICD-9-CM Procedure Description (hcup)	ICD9_1	ICD9_2	ICD9_3	ICD9_4	Abstracted Procedure
Radical Excis Skin Les; Exc Les Soft Tissue Nec	86.4	83.39			Excision, Wide Local, Liposarcoma, Thigh, Right
					Excision, Wide Local, Mass, Thigh
					Excision, Wide Local, Mass, Thigh, Right
					Excision, Wide, Lesion, Neck, Left
					Excision, Wide, Mass, Forearm, Left
					Excision, Wide, Mass, Lower Leg, Left
					Excision, Wide, Mass, Lower Leg, Right
					Excision, Wide, Mass, Neck, Posterior
					Excision, Wide, Mass, Thigh, Left
					Excision, Wide, Mass, Upper Arm, Right
					Excision, Wide, Tumor Bed, Thigh, Posterior Medial, Right
					Excision, Wide, Tumor in Previous Biopsy Site, Neck, Posterior, Right
					Excision, Wide, Tumor, Neck, Right
Radical Excis Skin Les; Exc Les Soft Tissue Nec; Excis Lesion Of Muscle	86.4	83.39	83.32		Excision, Wide Local, Mass, Arm, Upper, Left including Triceps
Radical Excis Skin Les; Exc Les Soft Tissue Nec; Radical Excis Skin Les	86.4	83.39	86.4		Excision, Wide, Tumor, Posterior Thigh/Buttock, Left
Radical Excis Skin Les; Other Local Destruc Skin	86.4	86.3			Excision, Wide, Local, Skin of Clavicular Region, Left
Radical Excis Skin Les; Pedicle Graft Advancemen	86.4	86.72			Excision with Advancement Flap Closure, Congenital Nevus, Calf, Posterior, Left
					Excision with Advancement Flap Closure, Defect, Scalp, Left
Radical Excis Skin Les; Pedicle Graft/Flap Nos	86.4	86.70			Excision, Wide, Nevus, Temporal Scalp, Right with Local Flap Repair
Radical Excis Skin Les; Radical Excis Skin Les	86.4	86.4			Excision, Wide, Basal Cell Carcinoma, Shoulder, Bilateral
Radical Excis Skin Les; Skin Repair & Plasty Nec	86.4	86.89			Excision with Complex Repair, Scar, Chest Wall Tract, Right
Radical Groin Dissection; Abdominal Wall Incision	40.54	54.0			Dissection, Superficial, with Exploration, Groin, Left
Radical Mastoidectomy	20.42				Tympanomastoidectomy
Radical Mastoidectomy; Excise Middle Ear Lesion	20.42	20.51			Tympanomastoidectomy, with Removal Cholesteatoma, Left
Radical Mastoidectomy; Myringotomy Nec	20.42	20.09			Tympanomastoidectomy, Left with Epitympanotomy, Posterior
Radical Mastoidectomy; Type 3 Tympanoplasty	20.42	19.53			Tympano-Mastoidectomy with Reconstruction, Ossicular, Left
Radical Maxillary Antrot	22.31				Antrostomies, Maxillary, Bilateral
Radical Prostatectomy; Simp Exc Lymph Struc Nec; Lap Robotic Assist Proc (Begin 2008)	60.5	40.29	17.42		Radical Prostatectomy with Pelvic Lymph Node(s) Dissection, Laparoscopic Robotic Assisted
Radioactive Elem Implant	92.27				Insertion, Afterloading Catheters, Ankle, Left
Radioactive Elem Implant; Isotope Inject/Instill	92.27	92.28			Brachytherapy, Interstitial

Radioactive Elem Implant; Orbitotomy Nec	92.27	16.09			Insertion, Radioactive Iodine (I-125), Orbit, Bilateral
					Insertion, Radioactive Iodine (I-125), Orbit, Left
Radioactive Elem Implant; Orbitotomy W Implant	92.27	16.02			Insertion, I-192 Radioactive Implant, Orbit, Right
Radioactive Elem Implant; Other Brain Incision	92.27	01.39			Insertion, Radium Implants, Brain
Radioactive Elem Implant; Other Eyelid Incision; Scleral Operation Nec	92.27	08.09	12.89		Insertion, Radioactive Iodine (I-125) Plaque, Eye, Left
					Insertion, Radioactive Iodine (I-125) Plaque, Eye, Right
Radioactive Elem Implant; Skin & Subq Incision Nec	92.27	86.09			Insertion, Afterloading Catheters, Buttock, Left
					Insertion, Afterloading Catheters, Forearm, Left
					Insertion, Afterloading Catheters, Forearm, Right
					Insertion, Radioactive Elements, Below Knee Stump, Left
Radius & Ulna Biopsy	77.43				Biopsy, Fine Needle Aspiration, Radius, Right
					Biopsy, Needle, Mass, Ulna, Left
					Biopsy, Needle, Radius, Proximal, Left
					Biopsy, Open, Ulna, Right
					Biopsy, Radius, Distal, Right
					Biopsy, Radius, Left
Reclose Post Op Disrupt	54.61				Reconstruction, Abdominal Wall, Posterolateral, Right
Rectal Resection Nec	48.69				Anastomosis, End to End, Rectosigmoid
					Rectosigmoidectomy
					Resection, Rectum
Rectal Resection Nec; Anal Anastomosis (Begin 1987)	48.69	45.95			Proctectomy with Ileoanal J-Pouch
Rectocele Repair	70.52				Repair, Rectocele
Reduction Facial Fx Nos	76.70				Open Reduction with Internal Fixation, Fracture, Facial
Reduction Genioplasty	76.67				Genioplasty, Reduction
Reduction Torsion Testes	63.52				Release, Surgical, Torsion of Testis, Left
					Release, Surgical, Torsion of Testis, Right
Reduction Torsion Testes; Reduction Torsion Testes	63.52	63.52			Release, Surgical, Torsion of Testis, Bilateral
Refusion Dorsal Spine Post T (Begin 2001); Fusion Or Refusion Of 9 Or M (Begin 2003)	81.35	81.64			Insertion, Segmental Instrumentation, with Revision Arthrodesis, Posterior Spine, T2-T11
Refusion Spine Nos (Begin 2001)	81.30				Repair, Pseudoarthrosis, Spine, Posterior
Regional Lymph Node Exc	40.3				Excision, Lymph Node(s), Regional
Rejected Kidney Nephrect	55.53				Nephrectomy, Transplanted Kidney

**Abstracted Radiation Sites within Assigned Exposure/Potential Exposure Regions  
Data Freeze: April 30, 2020**

<b>Region Variables</b>	<b>Radiation Site (site)</b>
	Spine, C1-L1 (Radiation)
	Spine, C1-T5 (Radiation)
	Spine, C1-T7 (Radiation)
	Spine, C2-C3 (Radiation)
	Spine, C2-C4 (Radiation)
	Spine, C2-T4 (Radiation)
	Spine, C2-T9 (Radiation)
	Spine, C3-C4 (Radiation)
	Spine, C3-T1 (Radiation)
	Spine, C3-T12 (Radiation)
	Spine, C4-C7 (Radiation)
	Spine, C5-C6 (Radiation)
	Spine, C5-Coccyx (Radiation)
	Spine, C5-T12 (Radiation)
	Spine, C5-T2 (Radiation)
	Spine, C5-T3 (Radiation)
	Spine, C5-T4 (Radiation)
	Spine, C5-T5 (Radiation)
	Spine, C5-T7 (Radiation)
	Spine, C6 (Radiation)
	Spine, C7-S2 (Radiation)
	Spine, C7-T11(Radiation)
	Spine, C7-T4 (Radiation)
	Spine, C7-T6 (Radiation)
	Spine, C7-T7 (Radiation)
	Spine, Cervical (Radiation)
	Spine, Cervical, Upper (Radiation)
	Spine, Upper (Radiation)
	Submandibular (Radiation)
	Submandibular, Left (Radiation)
	Submental/Neck, Bilateral (Radiation)
	Superior Sagittal Sinus (Radiation)
	Supraclavicular (Radiation)
	Supraclavicular Fossa, Left (Radiation)
	Supraclavicular, Bilateral (Radiation)

**Abstracted Radiation Sites within Assigned Exposure/Potential Exposure Regions  
Data Freeze: April 30, 2020**

<b>Region Variables</b>	<b>Radiation Site (site)</b>
	Supraclavicular, Left (Radiation)
	Supraclavicular, Right (Radiation)
	Supraclavicular/Axilla, Right (Radiation)
	Supraclavicular/Axillary, Left (Radiation)
	Suprasellar (Radiation)
	Suprasellar Cyst (Radiation)
	Suprasellar Region
	Suprasellar Region, Left (Radiation)
	Suprasellar/Frontal Horns (Radiation)
	Suprasellar/Hypothalamus/Optic Chiasm (Radiation)
	Supratentorial (Radiation)
	Supratentorial Region, Left (Radiation)
	Sylvian Fissure, Right (Radiation)
	Tectal Plate, Left (Radiation)
	Tectal Region (Radiation)
	Tempoparietal Region (Radiation)
	Temporal Lobe (Radiation)
	Temporal Lobe, Left (Radiation)
	Temporal Lobe, Right (Radiation)
	Temporal Parietal Occipital Region, Right (Radiation)
	Temporal Parietal Region, Left (Radiation)
	Temporal Parietal Region, Right (Radiation)
	Temporal Region (Radiation)
	Temporal Region, Left (Radiation)
	Temporal Region, Right (Radiation)
	Tentorium, Inferior, Right (Radiation)
	Tentorium, Right (Radiation)
	Thalamus (Radiation)
	Thalamus, Left (Radiation)
	Thalamus, Right (Radiation)
	Third Ventricle (Radiation)
	Third/Fourth Ventricle (Radiation)
	Tongue (Radiation)
	Tonsil and Epiglottis, Left (Radiation)
	Total Body Irradiation (TBI) (Radiation)

**Abstracted Radiation Sites within Assigned Exposure/Potential Exposure Regions  
Data Freeze: April 30, 2020**

<b>Region Variables</b>	<b>Radiation Site (site)</b>
	Total Lymphoid Irradiation (Radiation)
	Total Lymphoid Irradiation, Lower (Radiation)
	Total Lymphoid Irradiation, Upper (Radiation)
	Transtentorial (Radiation)
	Trigeminal Cistern (Radiation)
	Tumor Bed, Cerebellum (Radiation)
	Tumor Bed, Cerebellum, Left (Radiation)
	Tumor Bed, Cerebellum, Off Spine (Radiation)
	Tumor Bed, Fourth Ventricle (Radiation)
	Tumor Bed, Frontal Lobe, Left (Radiation)
	Tumor Bed, Frontal Lobe, Right (Radiation)
	Tumor Bed, Medulla (Radiation)
	Tumor Bed, Nasopharynx/Upper Neck (Radiation)
	Tumor Bed, Neck, Right (Radiation)
	Tumor Bed, Parietal Lobe, Right (Radiation)
	Tumor Bed, Parietal Occipital Region, Left (Radiation)
	Tumor Bed, Parietal Region, Left (Radiation)
	Tumor Bed, Parotid, Left (Radiation)
	Tumor Bed, Pineal Gland (Radiation)
	Tumor Bed, Scalp (Radiation)
	Tumor Bed, Temporal Lobe, Left (Radiation)
	Tumor Bed, Third Ventricle (Radiation)
	Tumor Bed, Thyroid (Radiation)
	Tumor bed, Facial Region, Lateral, Left (Radiation)
	Ventricles (Radiation)
	Vermis/Fourth Ventricle (Radiation)
	Vertebra, Cervical, C6-7
	Vertebra, Cervical, C7 (Radiation)
	Waldeyer's (Radiation)
	Waldeyer's, Lower (Radiation)
	Zygomatic, Left (Radiation)
Potential_pelvis	Abdomen (Radiation)
	Abdomen, Left (Radiation)
	Abdomen, Left and Lungs, Bilateral (Radiation)
	Abdomen, Lower Quadrant, Left (Radiation)

**Abstracted Radiation Sites within Assigned Exposure/Potential Exposure Regions  
Data Freeze: April 30, 2020**

<b>Region Variables</b>	<b>Radiation Site (site)</b>
	Abdomen, Lower Quadrant/Para-aortic/Pelvis, Right (Radiation)
	Abdomen, Lower Right (Radiation)
	Abdomen, Middle (Radiation)
	Abdomen, Modified (Radiation)
	Abdomen, Right (Radiation)
	Abdomen, Right and Paraaortic (Radiation)
	Abdomen, Upper (Radiation)
	Abdomen, Upper Two-thirds (Radiation)
	Abdomen, Whole

Radiation Site (site)	Region Variables														
Axilla, Left (Radiation)	Axilla			Potential_breast			Potential_chest			Potential_lung			Potential_muscle		
Axilla, Posterior, Bilateral (Radiation)	Axilla			Potential_breast			Potential_chest			Potential_lung			Potential_muscle		
Axilla, Right (Radiation)	Axilla			Potential_breast			Potential_chest			Potential_lung			Potential_muscle		
Base of Skull (Radiation)	Cranial			Potential_brain			Potential_ear			Potential_eye			Potential_neckthyroid		
Base of Skull/Upper Neck (Radiation)	Cervical_neck			Cranial			Potential_brain			Potential_ear			Potential_eye		
Base of Skull/Upper Neck, Right (Radiation)	Potential_gihepatic			Potential_muscle			Potential_neckthyroid			Potential_oral					
Bladder (Radiation)	Cervical_neck			Cranial			Potential_brain			Potential_ear			Potential_eye		
Bladder/Pelvis (Radiation)	Potential_gihepatic			Potential_muscle			Potential_neckthyroid			Potential_oral					
Bladder/Pelvis Tumor Bed (Radiation)	Bladder			Potential_female			Potential_male			Potential_muscle			Potential_pelvis		
	Potential_urinary														
Bladder/Pelvis (Radiation)	Bladder			Pelvic			Potential_female			Potential_male			Potential_muscle		
	Potential_pelvis			Potential_urinary											
Bladder/Pelvis Tumor Bed (Radiation)	Bladder			Pelvic			Potential_female			Potential_male			Potential_muscle		
	Potential_pelvis			Potential_urinary											
Bone and Dura, Frontal, Right (Radiation)	Cranial			Potential_brain			Potential_ear			Potential_eye			Potential_neckthyroid		
	Potential_oral														
Brain (Radiation)	Cranial			Potential_brain			Potential_ear			Potential_eye			Potential_neckthyroid		
	Potential_oral														
Brainstem (Radiation)	Cranial			Potential_brain			Potential_ear			Potential_eye			Potential_neckthyroid		
	Potential_oral														
Brainstem/Cervical Spinal Cord (Radiation)	Cranial			Potential_brain			Potential_ear			Potential_eye			Potential_gihepatic		
	Potential_muscle			Potential_neckthyroid			Potential_oral			Spine_cervical					
Brainstem/Cervical spine, Upper (Radiation)	Cranial			Potential_brain			Potential_ear			Potential_eye			Potential_gihepatic		
	Potential_muscle			Potential_neckthyroid			Potential_oral			Spine_cervical					
Brainstem/Tectal Plate (Radiation)	Cranial			Potential_brain			Potential_ear			Potential_eye			Potential_neckthyroid		
	Potential_oral														
Brainstem/Thalamus (Radiation)	Cranial			Potential_brain			Potential_ear			Potential_eye			Potential_neckthyroid		
	Potential_oral														
Breast, Bilateral (Radiation)	Chest			Potential_breast			Potential_chest			Potential_gihepatic			Potential_lung		
	Potential_muscle			Potential_neckthyroid											
Breast, Left (Radiation)	Chest			Potential_breast			Potential_chest			Potential_gihepatic			Potential_lung		
	Potential_muscle			Potential_neckthyroid											
Breast, Right (Radiation)	Chest			Potential_breast			Potential_chest			Potential_gihepatic			Potential_lung		
	Potential_muscle			Potential_neckthyroid											
Buttock, Right (Radiation)	Pelvic			Potential_female			Potential_male			Potential_muscle			Potential_pelvis		
	Potential_urinary														
C2-Thecal Sac (Radiation)	Potential_gihepatic			Potential_muscle			Potential_neckthyroid			Potential_oral					
	Spine_cervical														
C7-Thecal Sac (Radiation)	Potential_gihepatic			Potential_muscle			Potential_neckthyroid			Potential_oral					
	Spine_cervical														
Calcaneus, Right (Radiation)	Lowerextremity			Potential_muscle											
Calf, Posterior, Left (Radiation)	Lowerextremity			Potential_muscle											
Calf, Posterior, Right (Radiation)	Lowerextremity			Potential_muscle											

**Derived Exposure/Potential Exposure Radiation Region Assignments by Abstracted Radiation Site  
Data Freeze: April 30, 2020**

Radiation Site (site)	Region Variables
Calvarium (radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Calvarium, Left (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cauda Equina (Radiation)	Potential_female     Potential_muscle     Potential_urinary     Spine_sacral
Cauda equina/Thecal Sac (Radiation)	Potential_abdomen     Potential_chest     Potential_female     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral     Potential_pelvis     Potential_urinary     Spine_sacral     Wholespine
Cavernous Sinus, Left (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cavernous Sinus, Right (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Celiac Axis (Radiation)	Paraortic     Potential_abdomen     Potential_chest     Potential_gihepatic     Potential_muscle     Potential_urinary
Cerebellar Peduncle (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cerebellar Peduncle, Bilateral (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cerebellar Peduncle, Left (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cerebellar Vermis (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cerebellopontine Angle (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cerebellopontine Angle, Left (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cerebellopontine Angle, Right (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cerebellum (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cerebellum, Left (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cerebellum, Right (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cerebral, Left (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cerebral, Right (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cerebrum (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cervical (Radiation)	Cervical_neck     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral
Cervical Lymph Nodes, Bilateral (Radiation)	Cervical_neck     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral
Cervical Lymph Nodes, Left (Radiation)	Cervical_neck     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral

**Derived Exposure/Potential Exposure Radiation Region Assignments by Abstracted Radiation Site  
Data Freeze: April 30, 2020**

Radiation Site (site)	Region Variables
Cervical Spine, Lower/Thoracic Spine, Upper (Radiation)	Potential_abdomen     Potential_chest     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral     Potential_pelvis     Spine_cervical     Spine_thoracic
Cervical and Thoracic Spine (Radiation)	Potential_abdomen     Potential_chest     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral     Potential_pelvis     Spine_cervical     Spine_thoracic
Cervical and Thoracic Spine, C3 to T3 (Radiation)	Potential_abdomen     Potential_chest     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral     Potential_pelvis     Spine_cervical     Spine_thoracic
Cervical/Supraclavicular (Radiation)	Cervical_neck     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral     Supraclavicular
Cervical/Supraclavicular, Left (Radiation)	Cervical_neck     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral     Supraclavicular
Cervical/Supraclavicular, Right (Radiation)	Cervical_neck     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral     Supraclavicular
Cervicomedullary (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cheek, Left (Radiation)	Nasopharyngeal     Orbital_eye     Oropharyngeal     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cheek, Right (Radiation)	Nasopharyngeal     Orbital_eye     Oropharyngeal     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Chest (Radiation)	Chest     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Chest Apex I (Radiation)	Chest     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Chest Wall (Radiation)	Chest     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Chest Wall, Anterior, Left (Radiation)	Chest     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Chest Wall, Anterior, Right (Radiation)	Chest     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Chest Wall, Apex, Right (Radiation)	Chest     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Chest Wall, Left (Radiation)	Chest     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Chest Wall, Posterior (Radiation)	Chest     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Chest Wall, Posterior, Left (Radiation)	Chest     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Chest Wall, Posterior, Right (Radiation)	Chest     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Chest Wall, Right (Radiation)	Chest     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Chest, Left (Radiation)	Chest     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Chest, Right (Radiation)	Chest     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Chest, Tumor Bed, Left (Radiation)	Chest     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid

**Derived Exposure/Potential Exposure Radiation Region Assignments by Abstracted Radiation Site  
Data Freeze: April 30, 2020**

Radiation Site (site)	Region Variables
Chest, Tumor Bed, Right (Radiation)	Chest     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Chest/Mediastinum, Left (Radiation)	Chest     Mediastinal     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Chin (Radiation)	Oropharyngeal     Potential_neckthyroid     Potential_oral
Clavicle, Left (Radiation)	Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral     Supraclavicular
Clivus (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Coccyx/Pelvis (Radiation)	Pelvic     Potential_female     Potential_male     Potential_muscle     Potential_pelvis     Potential_urinary     Spine_sacral
Conus Medullaris (Radiation)	Potential_abdomen     Potential_female     Potential_muscle     Potential_pelvis     Spine_lumbar
Cranial Nerve(s), Lower, Left (Radiation)	Nasopharyngeal     Oropharyngeal     Potential_brain     Potential_ear     Potential_neckthyroid     Potential_oral
Cranio-Spinal (Radiation)	Cranial     Potential_abdomen     Potential_brain     Potential_chest     Potential_ear     Potential_eye     Potential_female     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral     Potential_pelvis     Potential_urinary     Wholespine
Craniofacial (Radiation)	Cranial     Nasopharyngeal     Orbital_eye     Oropharyngeal     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cranium	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cranium (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cranium - C6	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral     Spine_cervical
Cranium - T4	Cranial     Potential_abdomen     Potential_brain     Potential_chest     Potential_ear     Potential_eye     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral     Potential_pelvis     Spine_cervical     Spine_thoracic
Cranium and Cervical Spine1/ Cranium and Cervical Spine II (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral     Spine_cervical
Cranium, Lateral, Left (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cranium, Lateral, Right (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cranium, Multiple Sites (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cranium, off globe (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Cribriform Plate (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Crus of Diaphragm (Radiation)	Chest     Potential_abdomen     Potential_breast     Potential_chest     Potential_female     Potential_gihepatic     Potential_lung     Potential_male     Potential_muscle     Potential_neckthyroid     Potential_pelvis     Potential_urinary     Wholeabdomen
Deep Parietal Region, Left/Thalamus (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral

**Derived Exposure/Potential Exposure Radiation Region Assignments by Abstracted Radiation Site  
Data Freeze: April 30, 2020**

Radiation Site (site)	Region Variables
Diaphragm, Right (Radiation)	Potential_abdomen     Potential_chest     Potential_gihepatic     Potential_muscle     Potential_urinary     Rightupperquadrant
Diaphragmatic Sulcus (Radiation)	Potential_abdomen     Potential_chest     Potential_female     Potential_gihepatic     Potential_male     Potential_muscle     Potential_pelvis     Potential_urinary     Righthemiabdomen
Diencephalon (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid       Potential_oral
Ear, Left (Radiation)	Ear_infratemporal     Potential_brain     Potential_ear
Ear, Right (Radiation)	Ear_infratemporal     Potential_brain     Potential_ear
Elbow, Right (Radiation)	Potential_muscle     Upperextremity
Epicardial Node (Radiation)	Mediastinal     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Epitrochlear Lymph Node, Left (Radiation)	Potential_muscle     Upperextremity
Epitrochlear Lymph Node, Right (Radiation)	Potential_muscle     Upperextremity
Epitrochlear, Bilateral (Radiation)	Potential_muscle     Upperextremity
Ethmoid Region, Right (Radiation)	Nasopharyngeal     Orbital_eye     Potential_brain     Potential_ear     Potential_eye       Potential_neckthyroid     Potential_oral
Ethmoid Sinus (Radiation)	Nasopharyngeal     Orbital_eye     Potential_brain     Potential_ear     Potential_eye       Potential_neckthyroid     Potential_oral
Ethmoid Sinus, Anterior (Radiation)	Nasopharyngeal     Orbital_eye     Potential_brain     Potential_ear     Potential_eye       Potential_neckthyroid     Potential_oral
Ethmoid Sinus, Left (Radiation)	Nasopharyngeal     Orbital_eye     Potential_brain     Potential_ear     Potential_eye       Potential_neckthyroid     Potential_oral
Eye, Bilateral (Radiation)	Orbital_eye     Potential_brain     Potential_eye
Eye, Inferior Oblique, Right (Radiation)	Orbital_eye     Potential_brain     Potential_eye
Eye, Left (Radiation)	Orbital_eye     Potential_brain     Potential_eye
Eye, Right (Radiation)	Orbital_eye     Potential_brain     Potential_eye
Face, Anterior, Right (Radiation)	Nasopharyngeal     Orbital_eye     Oropharyngeal     Potential_brain     Potential_ear       Potential_eye     Potential_neckthyroid     Potential_oral
Face/Neck, Right (Radiation)	Cervical_neck     Nasopharyngeal     Orbital_eye     Oropharyngeal     Potential_brain     Potential_ear     Potential_eye     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral
Facial Region, Lateral, Left (Radiation)	Nasopharyngeal     Orbital_eye     Oropharyngeal     Potential_brain     Potential_ear       Potential_eye     Potential_neckthyroid     Potential_oral
Facial/Base of Skull (Radiation)	Cranial     Nasopharyngeal     Orbital_eye     Oropharyngeal     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Falx Cerebri (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid       Potential_oral
Femur, Bilateral (Radiation)	Lowerextremity     Potential_muscle
Femur, Distal, Left (Radiation)	Lowerextremity     Potential_muscle
Femur, Distal, Right (Radiation)	Lowerextremity     Potential_muscle
Femur, Left (Radiation)	Lowerextremity     Potential_muscle

**Derived Exposure/Potential Exposure Radiation Region Assignments by Abstracted Radiation Site

**Derived Exposure/Potential Exposure Radiation Region Assignments by Abstracted Radiation Site  
Data Freeze: April 30, 2020**

Radiation Site (site)	Region Variables
Neck, Upper (Radiation)	Cervical_neck     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral
Neck, Upper Posterior, Right (Radiation)	Cervical_neck     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral
Neck/Axilla, Right (Radiation)	Axilla     Cervical_neck     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid     Potential_oral
Neck/Axillary (Radiation)	Axilla     Cervical_neck     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid     Potential_oral     Supraclavicular
Neck/Mediastinum (Radiation)	Cervical_neck     Mediastinal     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid     Potential_oral
Neck/Paratracheal, Right (Radiation)	Cervical_neck     Mediastinal     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid     Potential_oral
Neck/Supraclavicular (Radiation)	Cervical_neck     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral     Supraclavicular
Neck/Upper Mediastinum (Radiation)	Cervical_neck     Mediastinal     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid     Potential_oral
Occipital (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Occipital Lobe (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Occipital Lobe, Left (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Occipital Scalp (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Occipital, Right (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Occipital/Neck/Supraclavicular, Left (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Occipital/Preauricular Region (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Occipital/Temporal Lobe (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Optic Chiasm (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Optic Chiasm/Hypothalamus (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Optic Nerve, Left (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Optic Nerve, Right (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Optic Nerve/Posterior Retina/Chiasm, Left (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Optic Nerves, Bilateral (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral

## Derived Exposure/Potential Exposure Radiation Region Assignments by Abstracted Radiation Site Data Freeze: April 30, 2020

Radiation Site (site)	Region Variables
Optic Pathway (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Oral Cavity (Radiation)	Oropharyngeal     Potential_neckthyroid     Potential_oral
Orbit and Sphenoid (Radiation)	Cranial     Orbital_eye     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Orbit, Anterior, Bilateral (Radiation)	Orbital_eye     Potential_brain     Potential_eye
Orbit, Anterior, Right (Radiation)	Orbital_eye     Potential_brain     Potential_eye
Orbit, Bilateral (Radiation)	Orbital_eye     Potential_brain     Potential_eye
Orbit, Left (Radiation)	Orbital_eye     Potential_brain     Potential_eye
Orbit, Right (Radiation)	Orbital_eye     Potential_brain     Potential_eye
Orbitofrontal Region (Radiation)	Cranial     Orbital_eye     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Oropharynx (Radiation)	Oropharyngeal     Potential_neckthyroid     Potential_oral
Palm, Left (Radiation)	Potential_muscle     Upperextremity
Para-aortic/pelvis (Radiation)	Iliac     Inguinal     Paraaortic     Potential_abdomen     Potential_chest     Potential_female     Potential_gihepatic     Potential_male     Potential_muscle     Potential_pelvis     Potential_urinary
Para-mediastinum, Right (Radiation)	Mediastinal     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Para-mediastinum, Upper, Left (Radiation)	Mediastinal     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Paraaortic (Radiation)	Paraaortic     Potential_abdomen     Potential_chest     Potential_gihepatic     Potential_muscle     Potential_urinary
Paraaortic, Right (Radiation)	Paraaortic     Potential_abdomen     Potential_chest     Potential_gihepatic     Potential_muscle     Potential_urinary
Paraaortic/Inguinal/Scrotum (Radiation)	Iliac     Inguinal     Paraaortic     Potential_abdomen     Potential_chest     Potential_female     Potential_gihepatic     Potential_male     Potential_muscle     Potential_pelvis     Potential_urinary     Testicular
Paraaortic/Internal Iliac (Radiation)	Iliac     Paraaortic     Potential_abdomen     Potential_chest     Potential_female     Potential_gihepatic     Potential_male     Potential_muscle     Potential_pelvis     Potential_urinary
Paraaortic/Pelvic Lymph Nodes (Radiation)	Iliac     Inguinal     Paraaortic     Potential_abdomen     Potential_chest     Potential_female     Potential_gihepatic     Potential_male     Potential_muscle     Potential_pelvis     Potential_urinary
Paraaortic/Spleen (Radiation)	Paraaortic     Potential_abdomen     Potential_chest     Potential_gihepatic     Potential_muscle     Potential_urinary     Spleen
Paraaortic/Splenic Pedicle (Radiation)	Paraaortic     Potential_abdomen     Potential_chest     Potential_gihepatic     Potential_muscle     Potential_urinary     Splenicpedicle
Paradorsal, Posterior, T6-T11 (Radiation)	Paraaortic     Potential_abdomen     Potential_chest     Potential_gihepatic     Potential_muscle     Potential_pelvis     Potential_urinary     Spine_thoracic
Paradorsal, Upper, Left (Radiation)	Paraaortic     Potential_abdomen     Potential_chest     Potential_gihepatic     Potential_muscle     Potential_pelvis     Potential_urinary     Spine_thoracic
Paraesophageal (Radiation)	Mediastinal     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Paralumbar (Radiation)	Potential_abdomen     Potential_female     Potential_muscle     Potential_pelvis     Spine_lumbar

## Derived Exposure/Potential Exposure Radiation Region Assignments by Abstracted Radiation Site Data Freeze: April 30, 2020

Radiation Site (site)	Region Variables
Parametrium (Radiation)	Pelvic     Potential_female     Potential_male     Potential_muscle     Potential_pelvis     Potential_urinary
Paranasal Sinus (Radiation)	Nasopharyngeal     Oropharyngeal     Potential_brain     Potential_ear     Potential_neckthyroid     Potential_oral
Paranasal Sinus, Left (Radiation)	Nasopharyngeal     Oropharyngeal     Potential_brain     Potential_ear     Potential_neckthyroid     Potential_oral
Parapharyngeal Space, Right (Radiation)	Nasopharyngeal     Oropharyngeal     Potential_brain     Potential_ear     Potential_neckthyroid     Potential_oral
Parascapular Region, Left (Radiation)	Chest     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Parascapular region, Right (Radiation)	Chest     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Paraspinal (Radiation)	Potential_abdomen     Potential_female     Potential_muscle     Potential_pelvis     Spine_lumbar
Paraspinal, L2 (Radiation)	Potential_abdomen     Potential_female     Potential_muscle     Potential_pelvis     Spine_lumbar
Paraspinal, L5 (Radiation)	Potential_abdomen     Potential_female     Potential_muscle     Potential_pelvis     Spine_lumbar
Paraspinal, Left (radiation)	Potential_abdomen     Potential_female     Potential_muscle     Potential_pelvis     Spine_lumbar
Paraspinal, Right (Radiation)	Potential_abdomen     Potential_female     Potential_muscle     Potential_pelvis     Spine_lumbar
Paraspinal, T5-T8, Left (Radiation)	Potential_abdomen     Potential_chest     Potential_gihepatic     Potential_muscle     Potential_pelvis     Spine_thoracic
Paratracheal (Radiation)	Mediastinal     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Paravertebral, Thoracolumbar, Right (Radiation)	Potential_abdomen     Potential_chest     Potential_female     Potential_gihepatic     Potential_muscle     Potential_pelvis     Spine_lumbar     Spine_thoracic
Parietal Calvarium (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Parietal Calvarium, Right (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Parietal Lobe, Left (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Parietal Lobe, Right (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Parietal Region of Brain (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Parietal Region of Brain, Left (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Parietal Region of Brain, Right (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Parietal Region, Posterior, Left (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Parietal Region, Posterior, Right (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Parietal-Occipital Region (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral

**Derived Exposure/Potential Exposure Radiation Region Assignments by Abstracted Radiation Site  
Data Freeze: April 30, 2020**

<b>Radiation Site (site)</b>	<b>Region Variables</b>
Parotid Gland, Left (Radiation)	Nasopharyngeal     Oropharyngeal     Potential_brain     Potential_ear     Potential_neckthyroid     Potential_oral
Parotid Lymph Nodes, Left (Radiation)	Oropharyngeal     Potential_neckthyroid     Potential_oral
Parotid, Gland, Right (Radiation)	Nasopharyngeal     Oropharyngeal     Potential_brain     Potential_ear     Potential_neckthyroid     Potential_oral
Pelvic Lymph Nodes (Radiation)	Iliac     Potential_female     Potential_male     Potential_muscle     Potential_pelvis     Potential_urinary

Radiation Site (site)	Region Variables
Sternum, Medial (Radiation)	Mediastinal     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid
Submandibular (Radiation)	Oropharyngeal     Potential_neckthyroid     Potential_oral
Submandibular, Left (Radiation)	Oropharyngeal     Potential_neckthyroid     Potential_oral
Submental/Neck, Bilateral (Radiation)	Cervical_neck     Oropharyngeal     Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral
Superior Sagittal Sinus (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Supraclavicular (Radiation)	Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral     Supraclavicular
Supraclavicular Fossa, Left (Radiation)	Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral     Supraclavicular
Supraclavicular, Bilateral (Radiation)	Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral     Supraclavicular
Supraclavicular, Left (Radiation)	Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral     Supraclavicular
Supraclavicular, Right (Radiation)	Potential_gihepatic     Potential_muscle     Potential_neckthyroid     Potential_oral     Supraclavicular
Supraclavicular/Axilla, Right (Radiation)	Axilla     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid     Potential_oral     Supraclavicular
Supraclavicular/Axillary, Left (Radiation)	Axilla     Potential_breast     Potential_chest     Potential_gihepatic     Potential_lung     Potential_muscle     Potential_neckthyroid     Potential_oral     Supraclavicular
Suprarenal, Right (Radiation)	Potential_abdomen     Potential_chest     Potential_gihepatic     Potential_muscle     Potential_urinary     Rightupperquadrant
Suprasellar (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Suprasellar Cyst (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Suprasellar Region	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Suprasellar Region, Left (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Suprasellar/Frontal Horns (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Suprasellar/Hypothalamus/Optic Chiasm (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Supratentorial (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Supratentorial Region, Left (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
Sylvian Fissure, Right (Radiation)	Cranial     Potential_brain     Potential_ear     Potential_eye     Potential_neckthyroid     Potential_oral
T10-Sacrum (Radiation)	Potential_abdomen     Potential_chest     Potential_female     Potential_gihepatic     Potential_muscle     Potential_pelvis     Potential_urinary     Spine_lumbar     Spine_sacral     Spine_thoracic
T11-L2 (Radiation)	Potential_abdomen     Potential_chest     Potential_female     Potential_gihepatic     Potential_muscle     Potential_pelvis     Spine_lumbar     Spine_thoracic

**Derived Exposure/Potential Exposure Radiation Region Assignments by Abstracted Radiation Site  
Data Freeze: April 30, 2020**

Radiation Site (site)	Region Variables									
T2-T3 (Radiation)	Potential_abdomen Potential_pelvis		Potential_chest Spine_thoracic		Potential_gihepatic		Potential_muscle			
T2-T3, T11-L3, S1-S2 (Radiation)	Potential_abdomen Potential_muscle Spine_thoracic		Potential_chest Potential_pelvis		Potential_female Potential_urinary		Potential_gihepatic Spine_lumbar		Spine_sacral	
T6 (Radiation)	Potential_abdomen Potential_pelvis		Potential_chest Spine_thoracic		Potential_gihepatic		Potential_muscle			
Tectal Plate, Left (Radiation)	Cranial Potential_oral		Potential_brain		Potential_ear		Potential_eye		Potential_neckthyroid	
Tectal Region (Radiation)	Cranial Potential_oral		Potential_brain		Potential_ear		Potential_eye		Potential_neckthyroid	
Tempoparietal Region (Radiation)	Cranial Potential_oral		Potential_brain		Potential_ear		Potential_eye		Potential_neckthyroid	
Temporal Lobe (Radiation)	Cranial Potential_oral		Potential_brain		Potential_ear		Potential_eye		Potential_neckthyroid	
Temporal Lobe, Left (Radiation)	Cranial Potential_oral		Potential_brain		Potential_ear		Potential_eye		Potential_neckthyroid	
Temporal Lobe, Right (Radiation)	Cranial Potential_oral		Potential_brain		Potential_ear		Potential_eye		Potential_neckthyroid	
Temporal Parietal Occipital Region, Right (Radiation)	Cranial Potential_oral		Potential_brain		Potential_ear		Potential_eye		Potential_neckthyroid	
Temporal Parietal Region, Left (Radiation)	Cranial Potential_oral		Potential_brain		Potential_ear		Potential_eye		Potential_neckthyroid	
Temporal Parietal Region, Right (Radiation)	Cranial Potential_oral		Potential_brain		Potential_ear		Potential_eye		Potential_neckthyroid	
Temporal Region (Radiation)	Cranial Potential_oral		Potential_brain		Potential_ear		Potential_eye		Potential_neckthyroid	
Temporal Region, Left (Radiation)	Cranial Potential_oral		Potential_brain		Potential_ear		Potential_eye		Potential_neckthyroid	
Temporal Region, Right (Radiation)	Cranial Potential_oral		Potential_brain		Potential_ear		Potential_eye		Potential_neckthyroid	
Tentorium, Inferior, Right (Radiation)	Cranial Potential_oral		Potential_brain		Potential_ear		Potential_eye		Potential_neckthyroid	
Tentorium, Right (Radiation)	Cranial Potential_oral		Potential_brain		Potential_ear		Potential_eye		Potential_neckthyroid	
Testes (Radiation)	Potential_male		Testicular							
Testicular/Suprapubic (Radiation)	Potential_male		Testicular							
Testis, Left (Radiation)	Potential_male		Testicular							
Testis, Right (Radiation)	Potential_male		Testicular							
Thalamus (Radiation)	Cranial Potential_oral		Potential_brain		Potential_ear		Potential_eye		Potential_neckthyroid	
Thalamus, Left (Radiation)	Cranial Potential_oral		Potential_brain		Potential_ear		Potential_eye		Potential_neckthyroid	
Thalamus, Right (Radiation)	Cranial Potential_oral		Potential_brain		Potential_ear		Potential_eye		Potential_neckthyroid	

**Derived Exposure/Potential Exposure Radiation Region Assignments by Abstracted Radiation Site
